Term 2 in PrepNS

We have had a busy term 2 in the Prep class. The preps would like to share some photos of the different activities they have enjoyed this term.

Science this term in the Prep class, we have been learning about Living and Non-living things, so the Prep students have experimented with planting bean seeds with different elements.

Some Prep students have been going swimming this term, with this week being the last swimming week here are some photos of the Preps last swimming day.

This term in the buddie program, the grade 6 and prep students have designed and created a fairy garden.
