## Dear Students, Parents and Friends,

This week our whole school attended an excursion to Quantum and returned to school talking passionately about the workshops they'd experienced. I heard about the habitats required to keep some of the Mini beasts, like stick insects, as well as some of their unique qualities. I was interested to hear about the teamwork required to perform Minecraft tasks and saw some Mexican Jumping beans that students had made. I see that we have some young scientists in the making. Thank you to the teachers for creating this opportunity for students.

This week the grade 5/6ers started the first of their three "Family Life" sessions and the outside facilitator of the program came by my office to report what intelligent, respectful and delightful students we have at our school, well done 5/6ers for your maturity and positive impression to visitors.

**Please remember that next Thursday is a pupil free day which gives the teachers an opportunity to work together on our Literacy programs.**

I'm really looking forward to seeing the "Responsible Pet Ownership" incursion next Friday and the Prep Fire Ed the week after.

Please, also, look out for an invitation from Ms Vinney to parents who are able to offer up their skills or time for an afternoon working on some School Production sets, props and costumes.

Regards, Paul Johnson, Acting Principal,

## Extend OSHC at Watsonia School

### Our Recap

Welcome back to Term 3. Hope everyone had a nice break and rested well. Slime was a great entertainment last term so we have brought it back this term. Please let us know if you don't want your child to play with slime. This term, we have added new board games into our collection. Last week, we made glitter play-dough and made mug cake – which children loved and getting more request to make mug cakes. **Thank you – Sadia Zahan, Extend OSHC**
