Watsonia Primary School Values

By 5/6SW

In 5/6SW we have been investigating the six WPS values and how we could share our understanding with the school community. At Monday's assembly we shared our presentation. Here is some of the information we presented.

Accepting everyone for who they are and what they believe in. Respect is treating everyone with kindness. Being respectful helps us all feel safe.

Things you can do to show respect:

All people deserve equal respect

Listen to the teacher

Helping other people

Respect that other people are trying to learn

Teamwork means working together to achieve a goal. A good teamwork skill is be able to fix problems in your group. Good teamwork is being reliable and respectful.

Teamwork

Pride is a feeling you get when you achieve something important to you.

Examples of pride are scoring a goal in sport or answering a question right.

Pride

Resilience means to bounce back quickly from problems!

How to be resilient:

- Happiness/Positivity
- Letting go of bad feelings
- Control your feelings
- Learn from your mistakes
- Accept change

Resilience

Learning

Learning means taking responsible risks to try something new.

You can learn in lots of ways - reading books, talking and listening to others, playing games, watching videos, trying something new.

Being honest means accepting the consequences of your actions, even if it means you might get in trouble.

When you are honest you should also try to be kind.
