

ITALIANO

Term 1 2019

Buon Anno a tutti !! (Happy New Year to you all) I am looking forward to a fun and exciting Term in our Italian classes at Watsonia Primary School. With lots of fun and exciting activities planned I am sure the students will enjoy learning *la bella lingua Italiana* through singing, performing and using their creativity and imagination.

PREP

Prep students will be introduced to the story of Pinocchio. Through this lovable puppet sharing his story the children will learn how to greet, farewell and sing a song about facial features. They will learn how to greet each other and ask how they are feeling. As a class we will sing Happy Birthday to students, play language games and lots of other engaging and enjoyable activities.

GRADES 1&2

In Grades 1&2 students will revise greetings, numbers and how to describe themselves. Students will be able to list their features and create self-portraits of themselves labelled in Italian.

GRADES 4-6

In Grades 4-6 students will be completing a unit on "Appearances" paying particular attention to how to describe themselves in detail. They will then go on to describe other members of their family.

BELLA LINGUA

The Italian extension group will look at describing themselves in more detail. At the end of the unit they will go on to produce a comical skit about visiting a hospital.
