

TERM 3 NEWSLETTER

Welcome back everyone to Term 3. This will be an exciting, creative and busy term for the Arts Program at Watsonia Primary School.

Visual Arts:

This term, we continue our preparation for our Art Show at the end of the term. Students will be completing various art projects to display in our Art Show. There will be 3D works, painting and design projects, sketching and more. It is an exciting time as it all comes together. I am looking forward to working with the students to develop their skills in craftsmanship and to produce really high quality work.

Performing Arts:

Preps and 1/2's will continue developing their skills and knowledge in the music elements of beat, tempo, pitch and rhythm. Students will also explore music and movement, and mindfulness through meditation and dancing. This term, both classes will also be working on a performance for our Art Show.

Years 3-6 will be performing our Wakakirri Dance Story earlier in the term. This is an exciting opportunity, as students develop their confidence and skills in a professional setting. Then we will move on to a unit of drama. This provides a great opportunity for students to develop their skills in collaborative learning, building team work and confidence in performance skills.

I am looking forward to a spectacular, creative term with all students!
