

Prep SL Newsletter – Term 1 2020

January 2020

Dear Parents and families,

Welcome to Watsonia Primary School and Prep SL! I hope that you and your child enjoy becoming a part of our school community.

A reminder about the school hours for Preps. School starts at 9:00am each day, so arriving by 8:50am ensures that your child is on time, allows them a short chance to socialise with their peers before they start the school day and they are ready to line up when the music begins to play. When the music is playing, this is your chance to say goodbye to your child. If you arrive later than 9:00am, students must visit the office first to sign in and receive a late pass which they give to their classroom teacher.

For the first four weeks, Preps attend school on **Monday, Tuesday, Thursday and Friday and finish school at 2:30pm**. From, 17th February, Preps attend four days but finish at the regular school time of 3:30pm. From, 3rd January, Preps attend **five days a week, 9:00am – 3:30pm**.

On the Wednesdays that your child is not at school, I will be conducting **interviews** with families, as well as Literacy and Numeracy assessments with each Prep. You will receive a letter with your scheduled interview day and time. If this time is not convenient, please speak to me as soon as possible to arrange another appointment. It is essential that I have this time to get to know you and your child.

Watsonia Primary School uses the online Parent Communication Portal called **Compass**. Compass is used in many schools across Victoria and is available as an iPhone, iPad application, and also available to use through a standard web browser. This system helps streamline communication between parents and teachers by allowing online bookings for Parent Teacher Conferences, digital newsletters and easy access for student reports online and other feedback as required. Parents will receive individual details of how to log on and set up an account early in the term and we aim for all parents to be signed up by **the end of February**.

If your child is **absent**, please contact the school either by logging your child's absence on Compass or a phone call to the school office is sufficient. Absences are officially recorded as **school-approved** if notification is received, and **unexplained** if we receive no notification from parents.

For the first two weeks of the year we will be implementing the **Quality Start Up** program known as "I am, You are, We are Watsonia" which develops confidence, respect and a positive learning environment for all.

So that your child can come to school prepared each day, below is an outline of the days they will have specialist classes:

Music lessons are on **Tuesday** with Miss Emily Viney.

Library sessions are on **Friday**. To borrow books from our library, students must have a library bag. Your child will receive a library bag with their booklist which they can use for borrowing books. Other library bags are accepted as well.

Art lessons are on **Thursday** with Miss Emily Viney. All students **must** have an art smock to protect their uniform. Students without an art smock are not able to use all the paints and materials in the art room, so to ensure your child can participate fully, please send a named art smock to school as soon as possible. You can purchase art smocks from some shops but an old shirt will work just as well. Ensure the smock covers the front of their uniform completely and has **long sleeves**. Art smocks are kept in the classroom and come home at the end of the year for a wash!

LOTE Italian lessons are with Mrs Rina Nanos on **Tuesday**.

Perceptual Motor Program or PMP will be held on **Friday** and will be run by myself. PMP develops motor skills, co-ordination and the perception of self & space. PMP sessions will be run by myself. It is essential that your child wears appropriate shoes and a hat and has their water bottle for all P.E. and PMP sessions.

As we are a *Sunsmart* school, a school hat is required in the playground during **Terms 1 and 4**. If students do not have their school hat, they cannot participate in outside activities, which include playtimes. Students without a hat sit in a designated shaded area at playtimes - ***No Hat, No Play!***

Monday morning is our whole school **assembly**, 9:00 – 9:30am in the Hall. At this assembly, weekly awards are presented, various announcements are made and our school choir often performs. Parents are always welcome to attend.

A **Prep Information Session** will be held for Prep parents on . The purpose of this session is to inform you about the learning, expectations and activities your child will be involved in as well as school procedures.

On **12th March** we will be having a **Learning Showcase**. All families are invited to visit the Prep classroom at 9.10 - 9.55am to join in learning activities with the students.

Attached to this letter is a **calendar of events** for Term 1. Please refer to this document to find out what activities students and families will be involved in this term.

The **Home Learning** program for Prep students consists of reading, practising the *Magic Words* and counting on the 100's chart. Your child will receive their own personal home reader and a Magic Words folder which is expected to be practised every night. Home learning will commence in week 6 of Term 1.

All students are also asked to provide 1 box of **tissues** for the year. Thank you to the families who have already sent a box to school.

Students are encouraged to have a bottle of **water** on their table to sip from regularly, clearly labelled with their name. Please ensure that only water is provided for the classroom. Cordial and juice are for lunch or snack and will not be allowed during class time.

Watsonia PS also encourages **healthy eating** and healthy lunches and snacks are always best. Please ensure that your child can (or is learning to) open their own lunch, including unwrapping plastic wrap, opening packets and containers. While I will always assist them, Prep is also about fostering independence.

If at any time during the year you have a query regarding your child, please feel free to make a time to see me. I am sometimes available before or after school to discuss urgent matters, otherwise please make an appointment time with me. During school hours, Mrs Sue Fenech in the school office is available to assist you and pass on messages.

Show and Tell will begin in **Week 6** when the Preps are attending school 5 days a week. See below for the day that your child has their Show and Tell.

Monday – Dakota, Taj and Jaxon

Tuesday – Zoe, Makaila and Luca

Wednesday – Mikan, Ryan, Mia and Jordan

Thursday – Lucas, Leo, and Lachlan

Friday – Jimmy, Thomas and Ella

Suggested items that could be brought along to 'show and tell':

- a special toy
- a drawing
- a favourite item of clothing or jewellery
- a book
- a photo
- a craft or construction they made at home
- brochures from a family holiday
- tell about visiting grandparents, cousins, etc.
- awards or trophies
- tell about a holiday/special event to come

Expensive or breakable items should not be brought for show and tell.

I ask parents to assist this learning by ensuring your child has **one** item or story to share on their day. A practise the night before in front of the family 'audience' will also prepare them and improve their speaking ability.

I look forward to a wonderful and productive year!

Regards,

Sarah Lyall

Prep SL Classroom Teacher
